SCARECROW

1. There aren't really any rules as to how you have to build your scarecrow. All we ask is that you include some straw somewhere - it wouldn't be a scarecrow otherwise.

3. Your scarecrow should be clearly visible from the kerb.

3. This year, scarecrows will be judged on the following criteria:
 - a. Interpretation of the theme
 - b. Originality
 - c. Artistic/creative skills
