

# Biddulph Youth and Community Zone Ltd (BYCZ)

## Equality and Diversity Policy

BYCZ is committed to promoting and valuing equality and diversity in all of our activities and services. The organisation welcomes and celebrates the diversity of the community in Biddulph and is strongly committed to achieving equal opportunities and access for all people and groups in society.

BYCZ is proud of the actions it takes to eliminate discrimination and prejudice to ensure inclusion and engagement for all the people who work and volunteer with the organisation or wish to use its services. All Board members, staff, volunteers and independent contractors must adhere to this policy.

Equality is about making sure people are treated fairly and given fair chances.

Diversity is about respecting and valuing all forms of difference in individuals and positively striving to meet the needs of different people.

People with different backgrounds and attitudes bring fresh ideas and perceptions, and as a diverse organisation, BYCZ can draw upon the widest range of experiences, so that it can offer the best services possible and be a welcoming place to work and socialise.

However, diversity does not mean 'anything goes' – BYCZ does not encourage any particular attitudes or beliefs that contradict the organisation's goals.
